### Pay for and submit your application

The final step to submit your Form I-765, Application for Employment Authorization, is to pay the required fee.

Your application fee is: **\$470**.

**Refund policy:** By continuing this transaction, you agree that you are paying for a government service and that the filing fee, biometric services fee and all related financial transactions are final and not refundable, regardless of any action USCIS takes on an application, petition or request, or how long USCIS takes to reach a decision. You must submit all fees in the exact amounts.

We will send you to Pay.gov — our safe, secure payment website — to pay your fees and submit your form online.

Here are the steps in the payment and submission process:

1. Provide your billing information on Pay.gov
2. Provide your credit card or U.S. bank account information
3. Submit your payment

When you have paid your fee, your application will be submitted.

Pay.gov will redirect you to a uscis.gov confirmation screen, which will include your receipt number. Please keep a copy of your receipt number for your records. You can track the status of your application through your USCIS online account.
